PHOTONICS PUBLIC PRIVATE PARTNERSHIP

PHOTONICS²¹

Photonics technologies for the bio-medical sector

Bologna Fiere- Pavillion 21, Conference Room 2

“Ingresso Ovest Costituzione”, Costituzione, 3 - 40128 Bologna, Italy

Thursday June 26th 2025

c/o R2B-Research to Business 2025 - 20^o Edizione del Salone della Ricerca e delle Competenze per l'Innovazione

Online Innovat&Match Brokerage Event June 24th-26th 2025

AEIT-CORIFI
COordinamento Ricerca
Innovazione Fotonica
Italia

International Workshop organized by **AEIT-CORIFI**, the Italian Technology Platform for photonics *in collaboration with CNR, ART-ER, SIMPLER, EEN, Clust-ER Health*

Promoted by: European Technology Platform PPP Photonics21

(<https://www.photonics21.org>)

Sponsored by: HorizonEurope-Project Phorwards21

Free on-site participation upon registration at the link [here](#)

Deadline for registration: 20/06/2025

Official languages of the event are *Italian* & *English*: talks and presentations will be given in English, and the Panel Session will be in Italian

Contacts: organizing secretariat CORIFI@aeit.it

On- site Agenda

13:00 – 14:00: Registration , Light lunch & Networking

14:00 – 14:20: Welcome address - Roberta Ramponi (Photonics21 e AEIT-CORIFI), Vittorio Morandi(CNR), Cluster HEALTH Emilia Romagna.....*Jurgen Popp (WG Health) (?)*

14:20 – 14:30: PhotonHub PHACTORY- *Hugo Thienpont (to be confirmed)*

14:30 – 15:15: Photonics for Bio-Diagnostics: success cases Chair: Silvia M. Pietralunga (Photonics21 & CNR)

Talk 1, Project FARM – PNRR (Coord. ISMN-CNR)

Talk 2, Prof. Alberto Diaspro – Nanoscopy & NIC@IIT – Genova *(to be confirmed)*

Talk 3, Project Spectra Breast (Coord. IRCCS-ICS Maugeri-PV) *(to be confirmed)*

15:15 – 16:00 Photonics technologies and instrumentation for bio-medical & health: pitch-session Chair: Stefano Toffanin (CNR-ISMN & Photonics21)

Intervengono: (Aziende)

16:00 – 16:45: Challenges and perspectives– Panel Session Moderator: *(to be confirmed)*

Possible Invited speakers: Tecnopolo Mirandola, Cluster Health, Michele Muccini, Alberto Diaspro, Rizzoli-Bologna,SACMI,....

16:45– 17:00: Conclusions
