

ECSEL Mirror Group Italy

ECSEL Mirror Group Italy

The ECSEL Mirror Group Italy has been established in Italy in fall 2015, to support the Italian participation in the ECSEL Joint Undertaking, following the model of other European countries.

It involves the Italian government through the Ministries of Research and University (MIUR) and of Economic Development (MISE), as well as Regions, Large Enterprises, SMEs, the ANIE Federation and AEIT-AMES.

ECSEL Mirror Group Italy is part of a network of European organizations in support to the ECSEL JTI.

Supported with a subcontract by the H2020 CSA 5E, G.N. 825113

Federating European Electronics Ecosystems for Competitive Electronics Industries

Mission

- Promote public support to ECSEL in Italy
- Diffuse awareness of ECSEL programme and Smart System initiatives
- Coordinate with other ECSEL Mirror Groups
- Facilitate participation in ECSEL of Italian partners.

Main activities:

- National "ECSEL DAYS" with presentation of funded programmes, and opportunities for projects.
- Organization of national brokerage events and presentations to ECSEL brokerage events on behalf of Italian partners.
- Support to consortium building.
- Organization of ECSEL sessions, with main focus on Smart Systems, in main national meetings on Electronics.

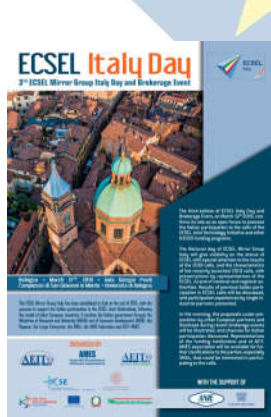

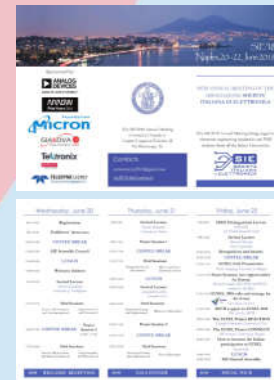

ECSEL Mirror Group Italy

YOUR PROJECT NAME

Why ECSEL?

ECSEL is the largest European funding program for Microelectronics, Electronics and Smart Systems

With respect to H2020:

- Application oriented.
- Much space for Smart Systems, strong point of Italian SME's.
- Covers prototypes and pilot lines.
- Large projects in size and number of participants.
- Combines European, national and regional funds.
- Success rate around 30%.

ECSEL and Italy (2014-2018)

In the period 2014-2018:

- 13,4 M€ made available by MIUR, 41€ by MISE and 35€ from structural funds.
- 81M€ of ECSL JU funding (2014-2017)

Italy budget in ECSEL Calls: 2014-2018

In the period 2014-2018:

- 40 projects with Italian partners.
- 87 Italian beneficiaries in 40 projects
