

# EVENTI PROSSIMI

ECSEL & Horizon2020

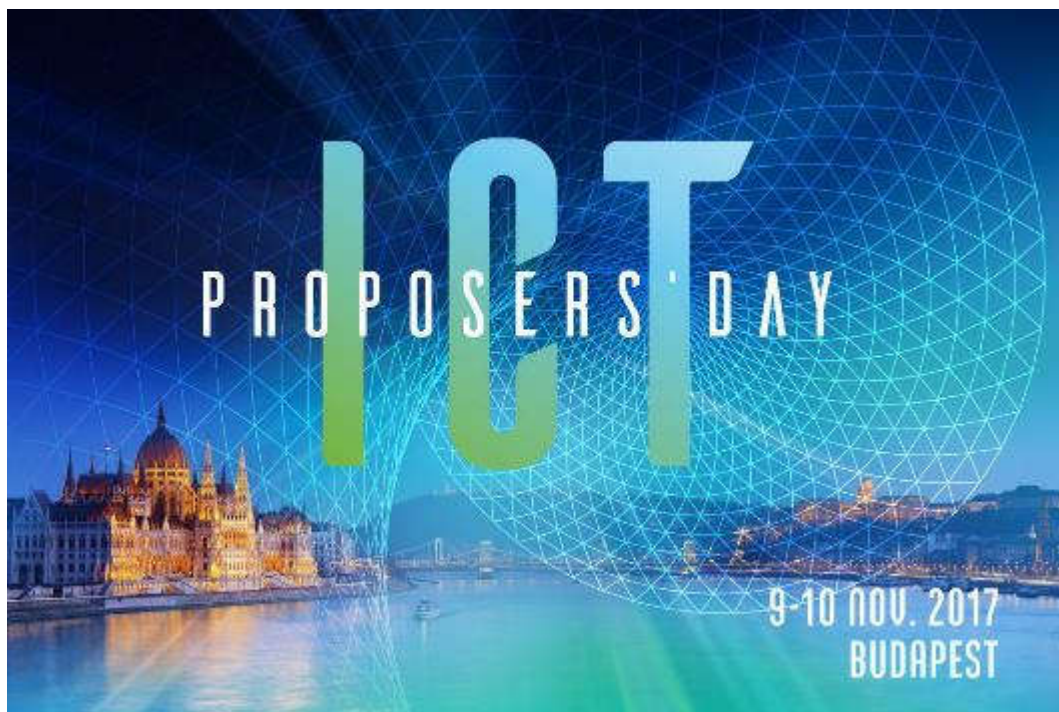

# ICT Proposers' Day 2017

## 9-10 November 2017, Budapest

Presentazione delle call 2018 di H2020 nel campo di ICT e FET, e opportunità di networking

The event will focus on the 2018 Calls for Proposals of the Horizon 2020 Work Programme in the field of Information & Communication Technologies and Future and Emerging Technologies (FET). It will offer an exceptional opportunity to build quality partnerships with academics, researchers, industrial stakeholders, SMEs and government actors from all over Europe.

# EF ECS 2017

European Forum for Electronic Components and Systems

5-7 December 2017, Brussels

Presentazione di progetti e del programma ECSEL per il 2018. Opportunità di networking e di presentazione idee progettuali.

A promotional banner for EF ECS 2017. The left side has a teal background with a grid pattern and the text "Our digital future" in white. The right side has an orange background with white text. The text on the right includes the event title, dates, location, a description of the event, a call to add it to a calendar, a quote "Our Digital Future", and a description of the event's goals. At the bottom right, there are two buttons: "EVENT WEBSITE" and "REGISTER".

**EF ECS (European Forum for Electronic Components and Systems)**  
Brussels, Belgium 05/12/2017 to 07/12/2017

The European Forum for Electronic Components and Systems 2017 (EF ECS) is a brand new event and a successor to the European Nanoelectronics Forum and the ARTEMIS Technology Conference. It is jointly organised by the industry associations AENEAS, ARTEMIS-IA and EPoSS, the European Commission (DG CONNECT), and the ECSEL Joint Undertaking.

Add EF ECS 2017 to your calendar!

**"Our Digital Future"**

This brand new event, as a successor to the European Nanoelectronics Forum and the ARTEMIS Technology Conference will offer attendees multiple ways to be informed, and become involved/engaged, in the futur
