

# AMES

Society AEIT Microelettronica  
Elettronica Semiconduttori

## AMES Society

### ECSEL Italy Day January 26, 2022

AEIT-AMES is the AEIT Society for technologies and applications in the fields of Microelectronics, Electronics and Semiconductors.

AEIT-AMES promotes and organizes social activities in its technical and scientific fields in collaboration with AEIT Sections, General Management and other AEIT Societies.

c/o AEIT - Ufficio Centrale  
Via Mauro Macchi 32  
20124 Milano

### **AMES** **Society for Microelectronics** **Electronics Semiconductors**

Integrated, Hybrid and Printed Circuits,  
MEMS, Microwave, Packaging,  
Semiconductors

**AUTO  
MOTIVE**

Virtual Conference  
17-19, November 2021

Organized by

**AEIT**  
1897

Call for Papers

International Conference  
on Electrical and  
Electronic Technologies  
for Automotive

The image is a promotional poster for the 'Auto Motive' virtual conference. It features a futuristic car interior with a glowing blue dashboard and steering wheel. The text on the left side of the poster includes the 'Auto Motive' logo, the event title 'Virtual Conference 17-19, November 2021', and the organizing body 'AEIT 1897'. A 'Call for Papers' banner is at the bottom left. On the right side, the text reads 'International Conference on Electrical and Electronic Technologies for Automotive'.

Antonio Imbruglia President of the AEIT-AMES Society

# ***AMES events year 2021***

Data	Evento	con
28/1/2021	Visita Virtuale STMicroelectronics	AEIT Catania
16/2/2021	Le sfide dell'NVH nell'industria automobilistica nell'era dell'elettrificazione	AEIT Cassino
16/2/2021	Veicoli autonomi e connessi: verso un nuovo paradigma di mobilità	AEIT Bologna
09/3/2021	Radar veicolari a 60GHz: applicazioni all'interno dell'abitacolo per scenari di emergenza	AEIT Bologna
14/5/2021	Corso FAD Stazioni di ricarica per veicoli elettrici	UC
<b>19/5/2021</b>	<b>Workshop su ECS Research and Innovation Programs</b>	<b>ECSEL Italy</b>
16/7/2021	Stazioni di ricarica per veicoli elettrici	AEIT Catania
7/9/2021	5th Annual Meeting of the IEEE Women in Engineering Italy AG	
11/10/2021	Microelettronica per la Salute	Uni. La Sapienza, Uni. Brescia
17-19/11/2021	<b>AEIT Automotive 2021 International Conference</b>	AEIT societies
1/12/2021	Corso Aspetti di cibersecurity per sistemi intelligenti e interconnessi - 5G	UC

# ***AMES events forecast year 2022***

- **January 26**            **5<sup>th</sup> ECSEL Italy Day with ECSEL-Italy**
- **June / July**            **6<sup>th</sup> ECSEL Italy Day with ECSEL-Italy**  
**Yearly meeting of SIE with ECSEL-Italy**
- **September**            **6th Annual Meeting of the IEEE Women in Engineering Italy AG**
- **October**            **AEIT 2022 International Annual Conference**  
**AEIT and Societies**
- **And in addition:**
  - **Course on Power Conversion with STMicroelectronics**
  - **Webinar on integrated passive device (IPD) solution for a dedicated RF front-end (RF-FE) with STMicroelectronics**
  - **And several more**

# ***Perché iscriversi alla AEIT-AMES Society ?***

La Society AMES è organizzata in cinque Gruppi Tematici

- Circuiti Integrati, Ibridi e Stampati
- MEMS
- Microonde
- Packaging
- Semiconduttori

***Society for Microelectronics  
Electronics Semiconductors***

In aggiunta ai benefici dell'associazione ad AEIT, AMES, in collaborazione con le Sezioni AEIT e l'Ufficio Centrale, promuove e organizza attività per la diffusione della cultura tecnica e innovazione nel campo della Microelettronica e dei sistemi elettronici, con:

- Visite tecniche
- Seminari
- Workshop
