## AEIT-AMES Society

# KDT Calls 2022 Information Event

AEIT-AMES is the AEIT Society for technologies and applications in the fields of Microelectronics, Electronics and Semiconductors.

AEIT-AMES intends to disseminate the most advanced electronics, understood as a decisive technology for the innovation of the industries and of all civil society.

It promotes and organizes social activities and seminars in the technical / scientific field in collaboration with the AEIT Sections, the General Management, ECSEL Italy and the other AEIT Societies.

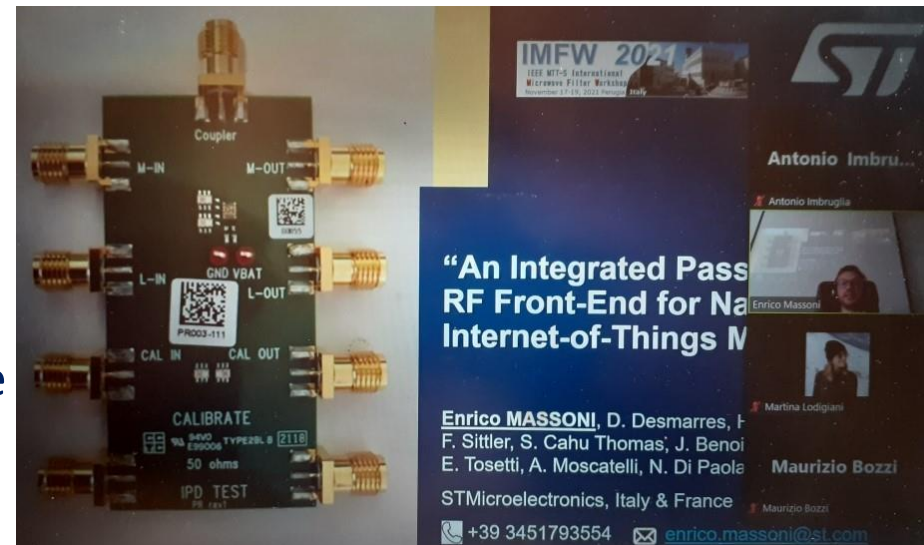

[JOIN AEIT-AMES Society](#)  
and keep informed

Semiconductors

Antonio Imbruglia President of the AEIT-AMES Society

- 26 gennaio 2022 ECSEL Italy Day  
organizzazione ECSEL Italy
- 6 maggio Visita Virtuale STMicroelectronics Catania  
AEIT Sez. Catania e AMES
- 27 maggio Webinar Integrated passive device (IPD) solution, that  
implements a dedicated RF front-end (RF-FE) E.Massoni
- **31 maggio KDT Calls 2022 Information Event**  
**organization ECSEL Italy**
- 7-9 settembre SIE2022, Pizzo Calabro  
ECSEL Italy e AMES
- settembre “6th Annual Meeting of the IEEE Women in Engineering Italy AG”
- 3-5 ottobre 114a AEIT 2022 International Annual Conference  
AEIT - UC
- TBD ottobre Microelettronica per la salute - La Sapienza
- TBD AEIT Automotive 2022 workshop/conference  
AEIT – UC e Societies
- TBD Corso TBD / F.Gennaro STMicroelectronics  
AMES e UC
