With the support of

Federating European Electronics Ecosystems for Competitive Electronics Industries

H2020 grant 825113

# What is ECSEL Italy?

The ECSEL Italy Mirror Group, born in 2015 on the example of ECSEL Mirror Group Austria and Digital Sweden, has the objective:

- To facilitate / coordinate the participation of Italian partners to the calls of ECSEL (and H2020).
- To promote the public support to ECSEL in Italy
- To coordinate with similar European initiatives and especially PPP's.

In past years, it organized the ECSEL Italy Day and brokerage event.

The association plans to continue activities in support of the new KDT JTI.

ECSEL Italy has the administrative support of AEIT-AMES.
