

# BEST LEOS JOURNAL PAPER

## Rules for Participants

The IEEE Laser and Electro-Optical Italian Chapter recognizes distinguished papers by young researchers in the field of Optoelectronics (laser, electro-optical devices, optical fibers, electro-optical techniques, quantum electronics and all those applications where lightwave technologies are the key) through presentation of an Award for the “Best LEOS Journal Paper” published on LEOS Journals (Journal of Lightwave Technologies, Photonic Technology Letters, Journal of Selected Topics in Quantum Electronics, Journal of Quantum Electronics, Journal of Display Technologies). The Award consists in an honorarium of 500 Euro and a Certificate.

For the year 2009, one award will be presented with reference to papers published in 2008.

Only candidates with the following requisites are eligible for the award:

- be a Member of IEEE LEOS Italian Chapter at the time the paper was submitted (in the printed paper the status of being an IEEE member shall appear);
- be less than 35 years old;
- be the first author of the paper.

Candidates must send their application by March 31th, 2009 together with:

- self-certification of LEOS membership (Italian Chapter);
- electronic copy of the published paper in pdf format;
- Curriculum Vitae including educational background, positions held, publications, awards, etc.

All documents must be sent in electronic format by LEOS IC web (<http://www.unipv.it/leos>):
